EXPERIENCE

Junior Frontend web developer (intern), Free.fi, Helsinki

2023

I use the agile method to solve Jira tickets related to UI/UX using React, MUI, Formsy, Tailwind, etc.

Senior Operations Specialist, Swappie, Helsinki

2020–2022

I was an IOS mechanic in Swappie Operations, working in an international team.

Entrepreneur, Alma's Food & Wine Oy, Helsinki

2018–2019

I established my own restaurant with two partners, and was working as a Restaurant Manager. My duties included HR & hiring, scheduling and payments for workers, food and bar stocking, quality control, statistics, business projection, marketing, customer service. I had 4 employees.

Shift Manager, Fafa's Plats Oy, Helsinki

2013–2018

I started off as a kitchen worker and was later promoted to shift manager. Shift manager's duties included being responsible for the restaurant and the workers during my shifts, training the new employees, handling inventory and product orders and taking care of the cash register.

Class Teacher & School Principal, José Luis Arruñada Primary School, Havana, Cuba

2002–2009

As a Class Teacher (2002–2006) I was responsible for the integral formation of human values of my pupils and supporting their self-preparedness in line with national educational goals. On a daily basis I prepared the classes in various subjects, and carried out follow-up on the pupils' wellbeing in close cooperation with the families.

In 2007 I was promoted to Primary School Principal. My responsibilities were in HR & directing, accounting, administration, salaries. Strategic planning of the entity, teachers' training and community support. I developed my skills in (people) directing and goal-oriented working while being responsible of 40+ subordinates and 500 pupils.
